

Reach construction workers. Help them find your business.

Built for the people building the Treasure Valley.

WHO YOU CAN REACH

- Current workforce: approximately 9,000 people on site.
- Another 6,000 planned. Almost all workers are from out of the area.

Triton ID One / ID Two focus. Workforce estimates supplied by organizer.

HOW YOUR BUSINESS GETS FOUND

- Planned QR-code distribution at orientation and approved site locations.
- Workers scan, find a local business and check its offer.
- They contact or visit your business and use your listed discount.

THE QUICK DECISION

- Paid advertising on a guide built around workers' everyday needs.
- One-year advertising commitment, split into monthly payments.
- Your business offers an ongoing discount of at least 10%.
- Great fit for food, auto services, cleaning, fitness and personal services.
